About Us.

Introduction

Chaithanya is a trusted name in the construction and infrastructure industry, based in the scenic district of Pathanamthitta, Kerala. Established with a commitment to quality and reliability, we specialize in supplying high-quality quarry materials for construction purposes and providing rental services for trucks and heavy machinery. Our dedication to customer satisfaction and our ability to deliver tailored solutions have made us a preferred partner for construction projects across the state.

The Proprietor

Mission & Vision.

MISSION

- To deliver high-quality construction materials and equipment rental services that meet the evolving needs of our clients, while maintaining a strong focus on sustainability and customer satisfaction.

VISION

- To be the leading provider of quarry materials and rental services in Kerala, contributing to the growth and development of the construction industry through innovation, quality, and reliability.

Core Services

1. Quarry Material Supply:

We supply a wide range of premium-quality quarry materials essential for construction projects, including:

- Crushed stone
- Gravel
- Sand
- Aggregates
- Rock boulders
- Red Earth

Our materials are sourced from reliable quarries and adhere to strict quality standards, ensuring durability and performance for all types of construction needs.

2. Truck and Heavy machinery Rental Services:

Chaithanya offers a fleet of well-maintained trucks for transporting construction materials. Our truck rental services are designed to meet the logistical needs of our clients, ensuring timely and efficient delivery of materials to project sites. Our heavy machinery consists of Excavators, Backhoe- Loaders, Wheelloaders, etc.

Our machinery is regularly serviced and operated by skilled professionals, ensuring optimal performance and safety on-site.
